WHERE TO FIND PROJECTION NETWORK DURING THE 6TH WORLD WATER FORUM?

SLUM Pavilion

On the **Forum Square**, the Village of Solutions brings to light all types of possible solutions for water within different pavilions.

The SLUM pavilion will welcome the exhibition "From planet of slums to planet of solutions" with a focus on solutions for access to water and sanitation in slums. Organized around a reproduction of informal settlements, the exhibition space presents the diversity of slums' realities around the world and the complexity of issues related

to access to basic services. Visual elements present various on-the-field solutions, which area starting point for questions and reflections that will be detailed in an adjacent space for debates.

<u>Access</u>: Village of Solutions, Forum Square, Parc Chanot

The Young Professionals Hostel

Projection's Afters are dedicated to talking, exchanging and networking in a friendly atmosphere... Open to all, a wide range of activities will be organized to encourage meeting and sharing.

The Afters' Room is located at the 1^{st} floor of the Young Pros hostel.

The hostel is located in the city center of Marseille near the Forum. <u>Address</u>: Résidhotel Le Grand Prado 7 Square des Frères Ambrogiani Allée Turcat Méry 13008 Marseille Access: tube station Périer (line2)

Projection network

Projection is a platform that draws on a network of young professionals (with between 2 and 10 years experience in the field) from countries in the North and South, working on access to basic services in urban areas in developing countries. Along with existing networks, Projection aims to contribute to current debates and thinking in this field. www.reseauprojection.org
